My dear Sir

You know that the Baratha
Jan Santherpane at Subramaniya
in the South Canara District is to be
performed by Court on the 18th Dec/88
and in connection with this special
Santherpane at Bisle Chetram is
to be performed from 10th to 12th
Dec next. I think that the Bisle
Santherpane is intended to be
performed with a view to afford
comfort and convenience to Pilgrims

Comp. of Subbiramaniya from the
Mysore Province and some places
of the Madras Presidency.

The Notification No. 41 dated
27th October 1898 published in the
South Canara District Gazette
Supplement Extraordinary Rules
runs "It is further notified that
visitors from the Mysore Province
(the whole of which has now been
declared to be infected) and
other infected parts are prohibited
from attending the Subbramanya
Shasti festival to be held from
12th to 20th Dec next. There is,
however

no objection to said festival
being celebrated locally as usual.
All persons from infected areas
coming to Subramaniya in
contravention of this notification
will be turned back"

From the above notification
it may be gathered that the Mysore
Officials and no staff will not be
accorded allowed to go to Subra
maniyam to witness or participate
the performances of the Kartikeyan.
I don't think that there will
be any large gathering of pilgrims
here on account of the plague rules
Under Malabar
Circumstances.

I deem it desirable that I should the two Santhal Pargunas alone have had this year I have not yet received orders regarding the construction of temporary sheds at Bâsle for the purpose of Santhal Pargunas. I therefore request that you will be good enough to favour me with instructions on the matter.

I remain
Yours sincerely

and as such pilgrims
will not be allowed
to proceed to Subramanya ~~this year~~
it is, no doubt unnecessary
to make any arrangements
for feeding pilgrims at
Bisle Ghaut this year.
The sheds for the accom-
modation of travellers
at Bisle Ghaut need
not be put up. You
may instruct the
Taluk Amildar accordingly -

With reference
however to the Santhapane
at Subramanya, as
the local celebration
the festival will still take
place, the Dewan
deems it inexpedient
to stop altogether the
Santharpane at that
place. But it is
unnecessary that any
of our officers should
personally

personally go there to
supervise the Santharpa
this year. ~~From the~~
Collector of South Canara
will be requested (throug
the British Resident) to
instruct ~~the~~ the local
Officers ~~under him~~
to ~~arrange~~ superintend for the
feeding of the pilgrims
assembling at Subramania
on behalf of the Durbar
the requisite funds for
the purpose being plac
at the disposal of the
Collector. On this sub
you will get a regular

later on in due course.

The Resident

No. 27 dated 25th December 1878.

Sir,

I have the honor to state that the temple of Subrahmanyaswami at Subrahmanya in Uppinangadi Taluk, South Canara District is endowed by the Mysore Government with a cash allowance of Rs 581-13-0 a year payable from the Manjasabad Taluk of the Hassan District; and in the outer enclosure of the temple is situated

: matt – known as the
Varasimha Devaru matt –
which is largely endowed
with Inam lands in the
Mysore Territory. and the
residing priest of which this matt takes some part
~~partakes~~ in the management
of the temple affairs.
Besides the aforesaid
cash allowance paid
towards the expenses
of the daily worship in
the temple, a Special
grant of Rs 2000 ~~has been~~ is annually made from
~~assigned out of the~~ State
Muzrai funds for the
feeding of pilgrims who
resort to the temple

~~12~~ 8 Dec

on the occasion of the annual Subrahmanya Shashti festival. The arrangements for this Special feeding of pilgrims are made by the deputy Commissioner of Hassan by who deputes one of his Assistant Commissioners to proceed to Subrahmanya with his staff and personally superintend the feeding there, during the festival Each year

2. Owing to the prevalence of the Plague in Mysore, the Madras Govt have published an order prohibiting persons from the Mysore Province and &c &c.

Which in this year falls on the 18th December next

The usual custom is for the Dy Commr of Hassan to make the

plague-affected areas
from proceeding to Su-
-brahmanya during the
ensuing Shashti festival;
and a ~~Similar~~ Corresponding notification
has also been published
by the Mysore Government.
Though owing to the
aforesaid prohibition
it is not likely that
there will be any large
gathering of pilgrims
at Subrahmanya this year,
yet as the festival
will still be celebrated
locally, the Durbar is deem it undesirable
unwilling that the leading
of pilgrims on the occasion
should be stopped altogether.
The Shashti festival

and

12th Dec

and the feeding of pil-
-grims are to take place
on the 18th Proximo; but
as none of the Durbar
Officials are to will be permitted
to proceed to Subrahmanya
this Year, I have the honor
to request that you will
be so good as to move
the Collector of South
Canara to instruct the
Tahsildar of Uppinangadi
Taluk (who is generally
present at Subrahmanya
during the days of the
Shashti festival) or
other local Officer to
make the necessary ar-
-rangements for the feeding

of pilgrims in the temple
on behalf of the Mysore
Government in Communi-
-cation with the Priest
of the Narasimha Devaru
matt and the Parpattegar
of the Subrahmanya temple.
In view of a great fall anticipated
in the number of pilgrims
assembling on the occasion,
the Durbar are of opinion
that a grant of Rs 1000
will be sufficient to meet
the expenses of the feeding
this year. This amount
will be remitted to the
Collector of South Canara
District on receipt of

12th Dec.

Sir,

With reference to your letter No: 6961 Dated 12th December 1898, sanctioning an advance of Rs 500 for conducting the Barnhazan Sauterpané on the occasion of the Shasti festival at Subbramanya, South Canara District during the year 1898-99, I have the honor to state that the Sub Division Officer, who had been deputed to conduct the Sauterpané, reported in his No 121 Dated 6th January 1899, (Copy enclosed for reference) to the effect that he proceeded to Subbramanya with

with an advance of Rs 500 and half a maund of Cardamom, as this article could not be had there, and reached the place a day previous to the feeding day that owing to the plague scare no grain merchants had Came to open shops at the Jatra and he therefore arranged with the Swami to Conduct the Sauterpani on behalf of the Govern- ment, that although the Swami Consented to Conduct the Sauterpani for Mysore Government, he declined to receive the amount offered by him to meet the Cost of feeding and that it was after Considerable difficulty the Sub Division Officer, endeced him to receive the amount which was duly paid to him. —

2 —— As the account of the expenditure of 500 Rs was not

not satisfactory, the Sub Division Officer was requested to report in detail as to the number of Brahmins assembled and the number fed and whether the feeding was offered in the name of Mysore Government. The Sub Division Officer in reply reports that the number of Brahmins fed on the occasion was 3124 and the cost of provisions detailed in the statement marked 8 in the file amounted to nearly Rs 573 as estimated by his office Sheristedar and hence the full amount of Rs 500 was paid in a lump sum and as regards the Cardamom, the Sub Division Officer states that he was informed by the Taluk Sheristedar that "the article should be taken from Sakleshpur and hence half a maund of Cardamom was

was purchased and given to Swami according to "manual". Sub Division Officer solicits that the bill for Rs 500 and the Cost of half a maund of Cardamom, viz Rs 30. 4. 6 may be sanctioned.-

3 —— Under these circumstances, the bill for Rs 500 may be sanctioned and forwarded to the Comptroller for adjustment of the advance and orders are solicited for the grant of Rs 30. 4. 6, the Cost of Cardamom spent.

4. —— Vernacular papers ending with Sub Division Officer's Yadi No 63/71 Dated 21st July 1899, are here with submitted for reference and kind return.—

Sir,

As desired in your telegram of the 12th ultimo, I proceeded to Subramanya with Rs 500/- and half a maund of Cardamom as this article cannot be had there and reached the place on the 17th idem, i.e a day previous to the feeding day. Owing to the plague scare, no grain merchants had come to set up shops at the jatra. We had therefore to arrange with the Swamyar to undertake the feeding for us. Although he consented to feed the Brahmins for us, he declined to receive the Rs 500/- offered by me to

meet

forced it on me saying that he had given it to me as a private man with his blessings (~~&c &c~~) and that I should not return it unless I meant to insult him. Hence I have brought away the Shawl. It is nothing to me as a pecuniary gain though it is a great thing as coming from the representative of the temple Deity.
